

GAURAV SINGH

Dehradun, Uttarakhand | gauravsingh18047718@gmail.com | +91 6397846708 | myportfolio-gauri1804s-projects.vercel.app

Aspiring Software Engineer with MCA and expertise in web development. Skilled in React.js, JavaScript, modern frameworks. Eager to contribute to innovative projects.

WORK EXPERIENCE

- Frontend Developer Intern** July2022 - Aug2022
SSJ IT Solution Private Limited.
- Completed an internship where I worked with React.js (state management and NPM packages) and successfully collaborated with a team to deliver two projects.
- Freelancing Projects**
Single Page Application (SPA) for a Law Website (02/2023 - 04/2023)
- Developed a client-focused law website using React.js, JavaScript, and Firebase, featuring course enrollment, daily news updates, contact page, and interactivity.

PROJECTS

- Personal Portfolio Website**
Developed a modern and interactive personal portfolio website using React. The website showcases my skills, projects, and experience, with features like dark mode, form handling, animations, and interactivity .

- Tourism Website for Uttarakhand**
In this project we had made a Tourism Website for Uttarakhand Government , basically in this website our objective was to make a website where people could find popular villages as well as the villages that were lagging behind in the terms of development.
